Enclosure No. 9

Secretary's docket No. Fl. 1465 of 4th December 1903.

Submits seperate reports on certain applications for house Building advances.

Report on the inspection of the house of B. S. Venkataramanieyar Accountant Government Printing Office situated in Malleswaram Extension.

Serial 3

I inspected this house on the evening of the 20th December 1903, and the District Subovereer accompanied me to aid me in the valuation of the house and other technical matters.

From this Treasury Office records it is seen that the first advance has been fully paid up, the original advance being Rs 204/-

The valuation of the house as it stands at present is nearly Rs 500/- according to the estimation of the Subovereer and myself.

The original and approved plan was submitted.

The proposals of the owner with regard to the improvements of his building are the erection of a bath room and a latrine, and the plastering of the whole house.

His own rough estimate furnished to me amounts to Rs 105/- and the District Subovereer thinks that the improvements would cost about Rs 120/-.

As bath room and latrine are of primary importance to a sanitary building, I submit that an advance of six months pay may be sanctioned.
